## ZÁMECKÉ VINAŘSTVÍ BZENEC

Chateau Winery Bzenec residents in a beautiful area of a chateau which is situated in one of the warmest parts of South Moravia. The first wines were produced here in 1875. We belong between the biggest wine producers in Czech Republic. We work at 360 hectares of vineyards some of them are running in BIO system.

We are not able to keep a feedstock from our own sources of vineyards so we are cooperating with grape suppliers. The range of planted sorts is e.g.: Sauvignon, Tramín červený, Chardonnay, Müller Thurgau, Rulandské modré, Svatovavřínecké, Frankovka and others.
